More Variety & Affordable Value

We offer an extensive variety of stones and materials to match your personal style AND fit within your budget. Our nearby stockyard and unlimited access to materials give us the flexibility to customize your design, ensuring a distinctive look for your home.

Experience

Our masons are ICPI Certified for the installation of pavers, patios, driveways, and walkways. We strictly enforce and comply with OSHA regulations regarding internal and worksite safety procedures. Plus, we are fully licensed and insured, and accredited with the Better Business Bureau (BBB).

Would you like to **transform** your yard into an elegant entertainment area? By bringing your **creative vision** to life, we make your dreams a **reality.**

Peace of Mind

As our customer, you will remain our top priority during every phase of your project and we will do everything we can to exceed your expectations. While it is exciting to think about the finished project, it can be stressful having workers at your property for days or weeks at a time. So please put your mind at ease with Torrison Stone & Garden. Before we start your project, you will receive a "what to expect" list outlining various details of your project. You will find that our employees exhibit the utmost professionalism. Also, any questions that arise can easily be addressed with a quick call to our office.

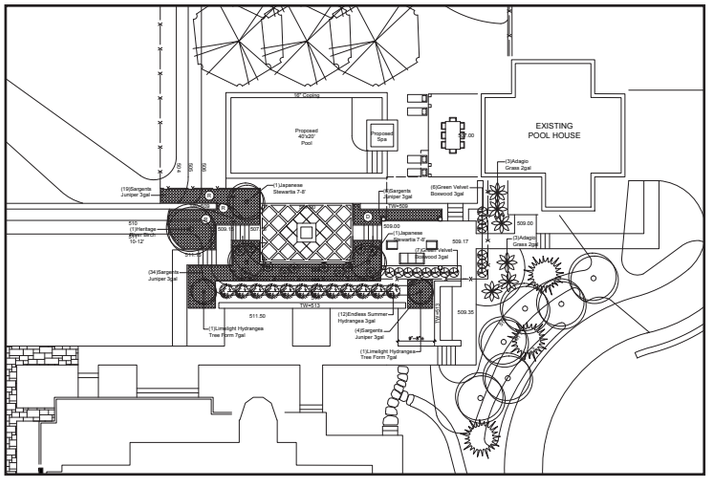
3D RENDER OF PROJECT PICTURED



Work With Our Landscape Architect

Brian Murphy, PLA, ASLA
Licensed Landscape Architect
Connecticut Accredited Nursery Professional, CNLA

Since 2000, Brian has been working with clients in all phases of landscape architecture and has extensive experience in design, planning, construction and project management.

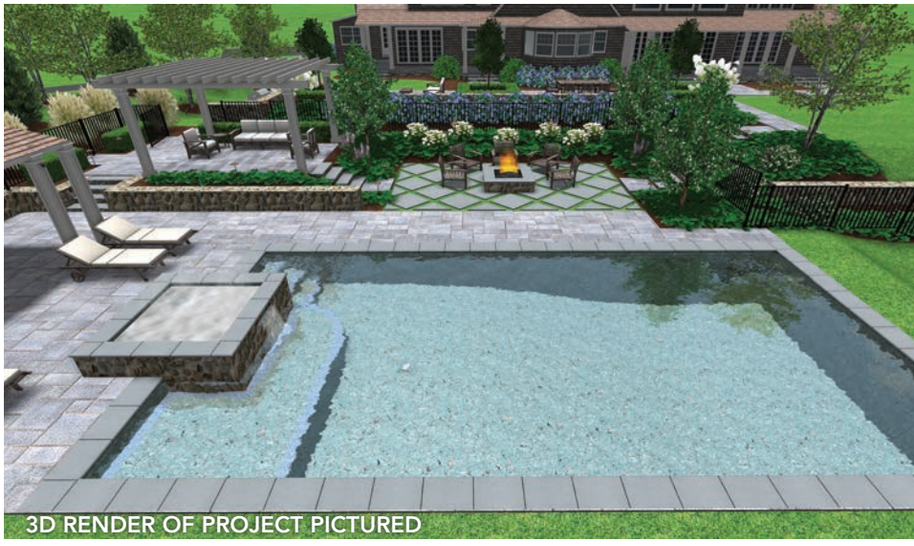
Working with a Landscape Architect from beginning to end ensures the most beautiful result by bringing all project elements into one seamless design. And through the design planning process, you save time, money, and prevent costly mistakes.

Your Vision Realized in 3D

When designing your custom landscape plan, let us bring it to life with a 3D Design Plan. Using this video technology, we can render your outdoor spaces incorporating all stone and landscape elements. We can show you exactly how a material will look before we finalize your plan and make changes on the fly, giving us ultimate control as we envision your project together.

This beautiful project in Easton, CT was designed using 3D imaging software and included a complete stonework and landscape design scheme for both front and backyard. Project elements include bluestone patios and walkways, Connecticut Natural Fieldstone walls, a fire pit, outdoor kitchen, a swimming pool, and spa. We also constructed the chimneys with block and veneer.

BEFORE



3D RENDER OF PROJECT PICTURED

TORRISON VENEER

SIDING • FOUNDATION • WALLS • FIREPLACES • HEARTHS • CHIMNEYS • PILLARS • STEPS

Today's natural stone veneer is lighter weight and faster to install compared to full stone, making it ideal for many interior and exterior surfaces at your home or business. Providing strength and durability, stone veneer offers many design options for a distinctive look.

Natural stone veneer is a great choice for your home's siding, foundation, accent walls, fireplaces, hearths, chimneys, pillars, steps, and flooring.

We rock indoors

According to Money Magazine, stone veneer ranks number two in ROI delivering the most bang for your buck, recouping more than 92 percent of its cost.

Let us help you envision your project now. Using design software, we can show you how your project can look with different thin stone veneer options.

TORRISON NEXT LEVEL

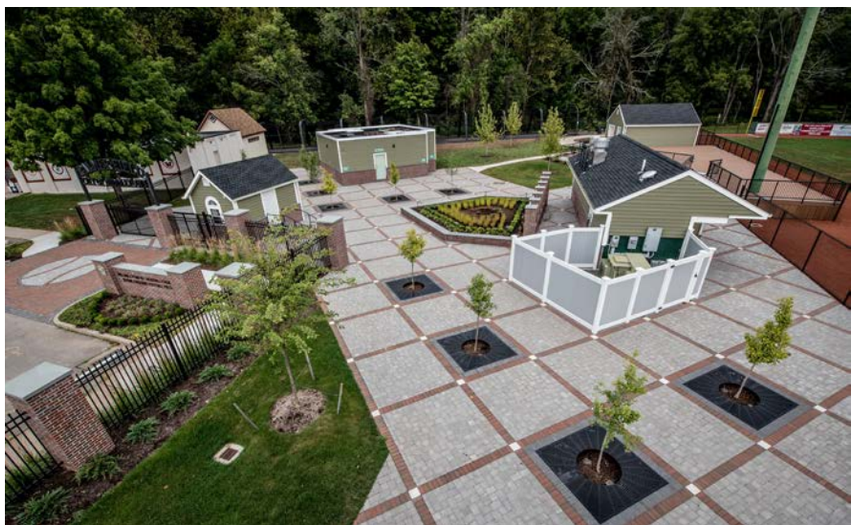
PALMER FIELD, MIDDLETOWN, CT

We transformed a forty-year-old, sports area into a traditional New England baseball and football park. Our in-house Landscape Architect, Brian Murphy, designed the tree lined courtyard by incorporating red bricks and grey pavers in a square grid pattern to compliment the newly sided green buildings with red brick veneer to create a cohesive gathering space with character.

- Collaborative project with numerous subcontractors, Municipal officials and engineers
- 10-month project
- New seating and handicap accessible viewing area
- Planted numerous trees, plants and sod
- Added new brick columns and decorative security fencing
- New entrance sign installed on custom columns
- New logo wall to highlight teams
- Enlarged concession building
- Customized ball logos made from pavers at both entrances

$2.5 Million park renovation – Largest TSG project to date.

No project is too big or too small for Torrison Stone and Garden



Tyler Gerry, Owner

Since 2000, owner Tyler Gerry has grown Torrison Stone & Garden to become a full-service landscape construction and design company. Our team includes over 90 people with many years of masonry and/or landscape expertise. Customer service is our first priority and your experience with every member of our team should be a positive one from a simple call to our office to making sure your yard is debris free after our work is completed. Our reputation is built every day and we want you to feel that you made the right decision in choosing us. Whether it's repairing your front walkway or reimagining your backyard, Torrison Stone & Garden is honored to be considered for your next project.

The Torrison Stone & Garden Team

Our Community

Torrison Stone & Garden believes in giving back to the community because, hey, we live here too! Here are just a few of our local initiatives:

- We award our annual Triple Threat Scholarships to local high school students who maintain a high grade point average while playing three sports.
- We support the Durham Fair in a variety of ways, including a permanent stone and landscape display.
- Recipient of the Community Impact Award, presented by the Northern Middlesex YMCA.
- We contribute to local schools and charitable organizations.

TORRISON DIFFERENCE

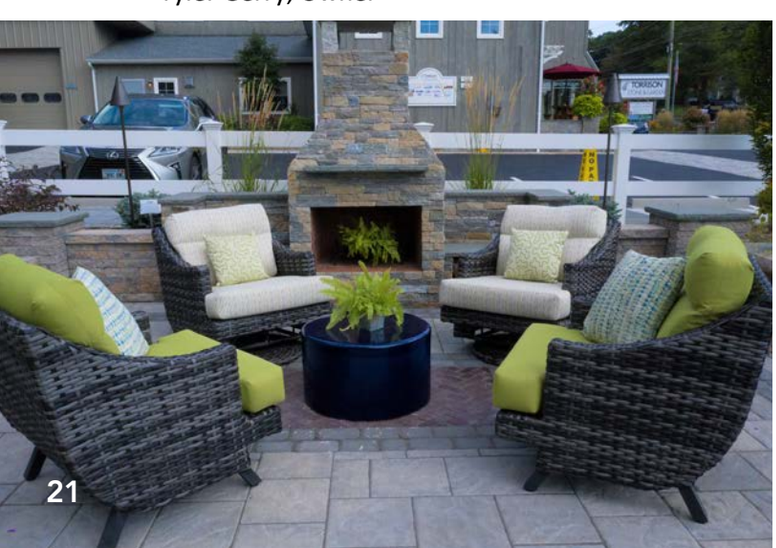
Torrison Stone & Garden, LLC is an award-winning landscape construction company specializing in stone and landscape design, installation, and maintenance. Since 2000, we have worked with thousands of Connecticut homeowners, businesses, and building professionals to create beautiful landscapes with patios, stone walls, fire pits and fireplaces, walkways, custom gardens and much more. Torrison Stone & Garden has assembled an expert team guaranteed to bring your creative vision to life and exceed your expectations.

Why Use Torrison Stone & Garden?

- **Year-round services noted for superior quality and affordability.**
- **Indoor and BRAND-NEW Outdoor Showroom**—See, touch and feel hundreds of materials and displays before settling on the perfect color, shape, and size for your design. Family-friendly and open weekdays and Saturdays in spring, summer and fall.
- **Licensed Landscape Architect**—15 years of professional, forward-thinking design planning and project management with a keen understanding of all phases of installation.
- **Offering 3D design planning** with video technology and drone imaging for completed projects.
- **Award Winning**—1st and 2nd Place Winner for Best Patio in North America and 1st Place Winner for the Concrete Paver – Commercial – Size less than 15,000 sq. ft. category for the Hardscape North America Contest.
- **Superior material quality and sourcing**. Bluestone, granite, travertine, porcelain, pavers and natural stone veneers.
- **Stone Maintenance**—Restore, repair, revitalize! Stone and paver staining, sealing, and reset/rejointing; wall and chimney repair; patio and step refacing and indoor masonry.
- **Landscape Maintenance**—Seasonal yard and garden cleanups and maintenance, lawn and sod installation, tree/shrub/plant installation, and tractor, excavation and grading work.
- **Expert crews with decades of experience** are assembled for their expertise with stone and plant materials of all varieties. Our stonemasons and landscapers maintain precision and attention to detail throughout every installation and maintenance project.
- **Our dedicated, responsive staff** ensures complete customer satisfaction and has grown to include a team of over 90 people. Experience service as it should be—courteous, accommodating and with a high degree of professionalism.
- **Stockyard**—Gives us nearby access and flexibility so crews can run efficiently.
- **A variety of financing options** are offered through United Bank for an easy start to your project.
- **Website**—Inspiration is a click away with portfolio photos of our work and customer references.
- **We partner with the best** and most knowledgeable contractors to complement our services.
- **Worksite safety procedures and OSHA compliance** for best business practices.
- **ICPI Certified Installer** for pavers, patios, driveways and walkways.
- **Better Business Bureau (BBB) Member**. **Fully Licensed and Insured.**
- **Giving Back to the Community**—Active supporter of many local groups including Regional School District 13 and sponsors of an annual high school scholarship award, Go Far Youth Races, and a major sponsor of the Durham Fair Association, just to name a few.

I hope you'll visit our website to view our portfolio with photos of our completed projects. And follow us on Facebook, Instagram, and Pinterest! You can always reach us by phone 860-349-0119, or email info@torrisonstone.com. I look forward to hearing from you soon.

Tyler Gerry, Owner



CUSTOMER TESTIMONIALS

"I want to thank you both for all your help in completing my firepit conversion to gas project. I began this project with a local stone company to try and support our local businesses, but it quickly turned into a nightmare in dealing with them. I deeply appreciate Torrison Stone stepping in and completing the project in a timely and professional manner. Even though this project went way over the budget that I had planned for, it was no fault of yours. I have high praise for the 2 masons assigned to this job. They are very hard workers, and extremely polite and capable. They did a great job! In the future, I will only use Torrison for any further outdoor needs, and will be recommending your company to clients and friends. Thank you again!"

– Deb, Killingworth

We want to express what a great experience we have had with our backyard project thanks to every single person at Torrison Stone and Garden. As local personal business owners, we like to support other locally owned business's. Everyone, including the office staff at Torrison Stone and Garden made our project run smoothly and ahead of schedule. This project has been about four years in the making and we could not be happier with the outcome!!! All of the very talented masons worked diligently to ensure our ideas were kept in mind, and have excellent attention to detail and great pride in their work, which shows. It is refreshing to work with such great people at Torrison Stone and Garden, we really appreciate everyone's hard work and their pride in their work, which is extremely important to us. We would like to invite you to our home and see how incredible your teams have transformed our backyard. You may want to consider using our backyard photo as a featured project on your website. Zivjeli (Cheers in Croatian).

-Christin and Scott, Wallingford

"We could not be more pleased with the work that the Torrison Stone & Garden team did to create the perfect outdoor living space for our family! From the very first consultation, our Project Manager understood our vision and provided us with options to suit our lifestyle and budget. Throughout the process, the team arrived early in the morning and worked tirelessly throughout the day. At the end of each work day, our property was swept clean which helped prevent the dirt and debris from entering the inside of our home. We were so delighted with the fireplace that we also had the team design a stone area for our driveway which we are very happy with. We're now enjoying our beautiful and masterfully constructed fireplace and all the compliments that have come with it!
Thank you Torrison Stone & Garden."

– Michael and Laura, Old Lyme

"We at Seaview thank you for our beautiful new walkway! It has dramatically improved the aesthetic "face" of our community and helped to increase property values. The end result far exceeded our expectations. Not only did you fulfill your contract to our complete satisfaction, you were on site to answer our questions and make us feel that we were in competent hands. Your crew was skilled, hardworking and polite. Please add Seaview Condo Association to your list of happy and satisfied clients."

– Nancy, President & Dodie, Grounds Committee Chair at Seaview Condo Association of Guilford
